

LALEE

2018

A close-up photograph of a wooden weaving loom. The loom consists of several horizontal wooden beams. The top beam is wrapped with purple threads. Below it, a second beam is wrapped with blue threads. The third beam is wrapped with white threads. The bottom beam is wrapped with green threads. The background is a dense, textured fabric of blue and purple threads, likely the result of the weaving process.

Welcome

Our current collection offers a wide range of machine-made, hand-woven as well as hand-tufted rugs. Whether one prefers a modern or classical style: We cover it all. All our qualities convince by individual innovations, elaborate combinations of materials, designs and colors — we offer true highlights for every kind of interior. Our motto is to satisfy our sophisticated clients permanently: highest quality, supreme service and an ideal price-performance ratio.

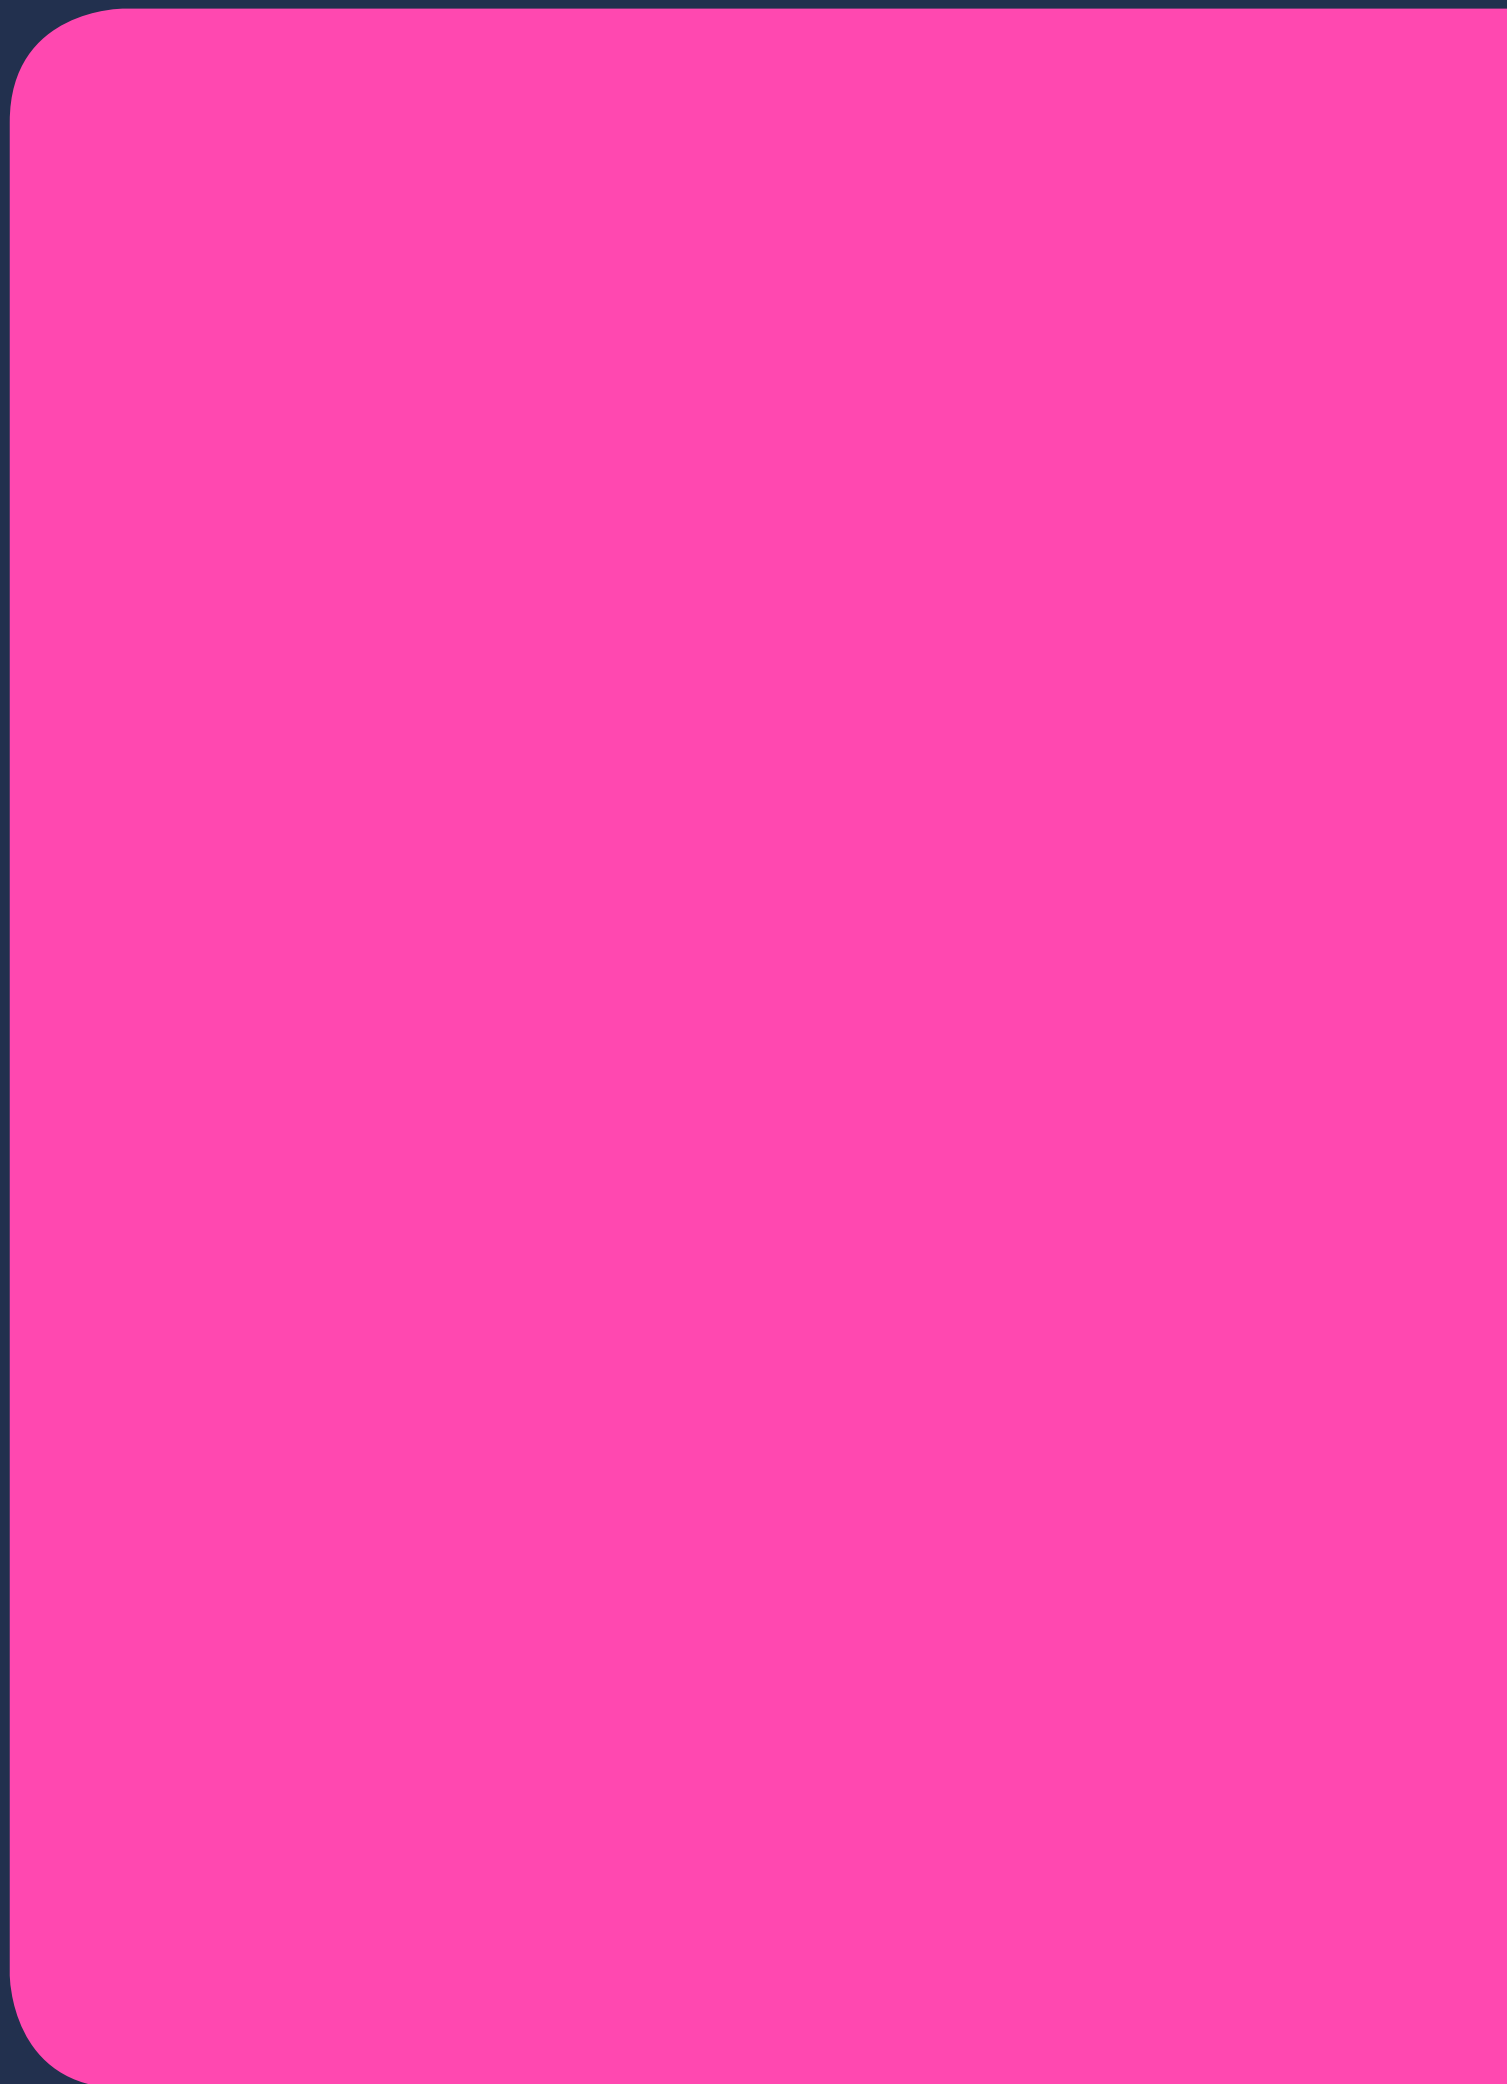

Lalee — the rug brand for sophisticated people.

We are proud to announce that most of the products in our collection have been honored with one of the following certificates:
